DUDLEY HEALTH AND WELLBEING BOARD

DATE	Thursday 20 th September, 2018
TITLE OF REPORT	Safe & Sound (Dudley's Community Safety Partnership) Priorities.
Organisation and Author	DMBC on behalf of Safe & Sound (Dudley's Community Safety Partnership) - Sue Haywood.
Purpose	To inform the Health and Wellbeing Board of Safe & Sound (Dudley's Community Safety Partnership) priorities.
Background	Safe & Sound (Dudley's Community Safety Partnership) is Dudley's statutory Community Safety Partnership as required in statute by the Crime and Disorder Act 1998, its subsequent amendments and other relevant legislation. Safe & Sound is part of Dudley's Health and Wellbeing System.
Key Points	<p>Key priorities outlined in the report are as follows:-</p> <ol style="list-style-type: none"> 1. Reducing Reoffending and Reducing Repeat Victimisation 2. Community Cohesion (includes Prevent and Hate Crime) 3. Reducing Vulnerability – (including Substance Misuse, Mental Health, Modern Slavery and exploitation) 4. Domestic Violence and Abuse (including Violence Against Women and Girls Agenda) 5. Reducing Violent Crime 6. Road Traffic and Transport 7. Anti-Social Behaviour
Emerging issues for discussion	Whilst Dudley remains the safest Borough within the West Midlands Police Force area in quarter 1 of 2018/19 Dudley has seen an increase in total recorded crime of 1.7 % compared to the same quarter in 2017/18. An increase from 5312 to 5403 recorded crimes.
Key asks of the Board/wider system	<p>In addition to the recommendations within the Report Safe & Sound (Dudley's Community Safety Partnership) asks the wider system to:-</p> <ul style="list-style-type: none"> • Consider how as a system we can work with individuals, families and communities and understand "where" resources should be targeted and why. • Consider how as a system we can "harness" an active citizen approach to the delivery of community safety outcomes. For example how can communities contribute to mitigating against the "broken window syndrome" to reduce the likelihood of an escalation in crime and disorder, substance misuse and Anti-Social Behaviour? • Consider how the system can contribute to the early intervention and prevention agenda (working up stream)

<p>Contribution to H&WBB key goals:</p> <ul style="list-style-type: none"> • Healthy weight • Reducing loneliness & isolation • Reducing impact of poverty 	<p>Examples of contributions to the Health and Wellbeing priorities include:-</p> <ul style="list-style-type: none"> • Healthy Weight - Active Citizen funding – for projects e.g. outdoor and sports activities • Reducing Loneliness and Isolation - Work of the Safer Estates Group – Looking at ASB – Calls for service and Public Safety and Welfare and working to address underlying causes • Reducing the impact of poverty – Reducing Reoffending – Integrated Offender management – Supporting offenders into Employment Training and Education
