- 4.1 Safe & Sound (Dudley's Community Safety Partnership) priorities are identified through Dudley's Community Safety Partnership Strategic Assessment. This is produced in accordance with good practice guidance and the Police and Justice Act 2006. (Please see appendix A for a summary of the Strategic Assessment). Partners are encouraged to use the Strategic Assessment to inform their "business".

4.2 Following the receipt of Dudley's draft Strategic Assessment at the Safe & Sound (Dudley's Community Safety Partnership) Board Meeting in January 2018 and in discussion with partners' priorities for Dudley for 2018/19 were identified as follows:-

1. Reducing Reoffending and Reducing Repeat Victimisation
2. Community Cohesion (includes Prevent and Hate Crime)
3. Reducing Vulnerability – (including Substance Misuse, Mental Health, Modern Slavery and exploitation)
4. Domestic Violence and Abuse (including Violence Against Women and Girls Agenda)
5. Reducing Violent Crime
6. Road Traffic and Transport
7. Anti-Social Behaviour

4.3 Safe & Sound also considers issues in respect of online safety and business crime. The majority of the priorities are taken forward through sub-groups of Safe & Sound (Dudley's Community Safety Partnership) and link in with the priorities of Dudley's Health and Wellbeing Board, Dudley's Safeguarding Adults Board, Dudley's Safeguarding Childrens Board and Dudley's Youth Offending Service Management Board. (Sub-Groups – please see Appendix B)

4.4 There are also formal links to work that takes place at a regional level for example with the Police and Crime Commissioner's Office, the West Midlands Wide Community Safety Partnership, Modern Slavery Board, Preventing Violence against Vulnerable People Programme and Reducing Reoffending.

4.5 A quarterly performance report produced by West Midlands Police – Partnership Intelligence Liaison Team informs Safe & Sound Strategic Board of progress against priorities as well any emerging trends in respect of crime and disorder. Sub-Group chairs report via an "exceptions" template to Safe & Sound Board, the template includes reporting on work that contributes to the Health and Wellbeing priorities for the Borough.

A Community Safety Fund Grant is received from the Police and Crime Commissioner. 2018/19's grant is £253,924 in addition a grant of £42,223 goes directly to the Youth Offending Service.
