THE REVISED DEPOSIT UNITARY DEVELOPMENT PLAN –  
INSPECTOR'S REPORT

A report of the Executive was submitted.

It was moved by Councillor Jones and seconded by Councillor Powell:

RESOLVED

That the recommendations in the Revised Deposit Unitary Development Plan to which the inspector has proposed no modifications be endorsed and that the detailed responses set out in the attachment to the report now submitted be approved as the Council's response to the Inspector's recommendations.

On consideration of the motion, it was moved by Councillor Bramall, and seconded by Councillor Sheppard

That, in order to clarify issues relating to telecommunications masts, the Council do now adjourn for 20 minutes.

On being put to the vote, the motion by Councillor Bramall was lost.

On further consideration of the motion by Councillor Caunt, as set out above, it was

RESOLVED

That the recommendations in the Revised Deposit Unitary Development Plan to which the inspector has proposed no modifications be endorsed and that the detailed responses set out in the attachment to the report now submitted be approved as the Council's response to the Inspector's recommendations.

---

- (a) The motion in the name of Councillor Burt set out in agenda item 5(a) and the amendment to it had been debated at the meetings of the Council held on 19th January and 8th March 2004, but, due to the expiry of the 30 minutes time limit prescribed in the Council Procedure Rules, the matter had not been disposed of at those meetings.

Following the reply to the amendment by Councillor Burt, on the amendment being put to the vote the amendment was carried. On being put to the vote the substantive motion was also carried and it was therefore

RESOLVED

That the present method of funding local government services does not give adequate levels of grant to Dudley MBC. The present system also exaggerates the impact of grant shortfall on Council Tax payers who have to make up the difference. A 1% shortfall in Government grant requires on average a 4% increase in Council Tax or equivalent cuts in services. In order to be fairer to Council Tax payers Dudley Council calls on the Government to change the balance of funding with a new system for funding local services so that shortfall in central Government grant does not result in disproportionate rises in local Council Tax.

- (b) It was moved by Councillor Cotterill and seconded by Councillor Finch that the motion in the name of Councillor Cotterill set out in agenda item 5(b) for this meeting be approved.

It was moved by Councillor Powell, seconded by Councillor Adams and

RESOLVED

That the question be now put.

On being put to the vote, the motion by Councillor Cotterill was carried and it was therefore

RESOLVED

That Dudley Metropolitan Borough Council calls on the government to bring back a system of regulated bus services similar to the one operating in London, which will allow Passenger Transport Authorities/Executives to:

1. Specify the routes, timetables and fares of bus services, emphasising the social, environmental and economic importance of bus services rather than the profit motive;
2. Remove the wasteful 'on the road' competition which eats up resources better deployed on improving services;
3. Operate a bus service 'of last resort' where commercial bus operators cannot or will not operate a service;
4. Make sure public finance and subsidies are used in the most cost effective manner; and
5. Lease buses to smaller bus companies.
