

**BRIERLEY HILL AREA COMMITTEE – 1<sup>st</sup>. JULY 2010**

**AGENDA ITEM No.16 - HIGHWAYS MINOR WORKS PROGRAMME 2010/2011**

**ADDENDUM TO APPENDIX B – SAFER ROUTE TO SCHOOL**

In addition to the schemes that have been identified in Appendix B of the report on the Highways Minor Works Programme 2010/2011, the following proposals have also been approved for inclusion as part of the Safer Routes to School initiatives.

1.	Brook Primary School (1)	Improvements to School Crossing Patrol site at Oak Park Road with 'Pre-mark' road markings and Vehicle Activated Signs
2	Brook Primary School (2)	Improvements to assist pedestrians at A491 Camp Hill/Brook Street with 'Pre-mark' road markings and Vehicle Activated signs. <u>Note:</u> School Crossing Patrol does not currently operate at this location and so, as part of a separate initiative, consideration is being given to the feasibility of introducing a pedestrian phase at the nearby traffic signals at the A491 Audnam/A461 Brettell Lane.
