

Licensing and Safety Committee – 22nd February 2012

Report of the Director of Corporate Resources

Revision of Licence Fees

Purpose of Report

1. To consider the revision of fees for licences and consents (other than those where the fees are imposed by statute in respect of liquor licensing gambling machine permits and lotteries and amusements).

Background

2. The fees for the various licences and permits administered by the Committee were last revised with effect from April 2011.
3. Fees received in respect of all licences or consents, are currently refunded if the application is withdrawn or refused.
4. In considering the revision of licence fees, the Committee may wish to compare the fees charged by the Council with those of neighbouring Councils. A table showing these comparisons is attached as Appendix 1.
5. Column (1) in Table A below shows the fees currently charged.

Column (2) to (6) show the effect on fees of various increases between 2% and 15%. The budget for 2012/13 (see paragraph 7) has been set based on cost inflation and estimated activity levels; a 2% overall increase will be sufficient to achieve this.

6. The Council is only permitted to set licensing fees up to the amount that can be ascertained as being the cost of administering the licensing function. The cost of administering includes enforcement, the administrative and ancillary costs of issuing the licence and the ancillary costs relating to members meeting to determine certain licensing applications.

The budget 2012/13 has been set as follows; the cost of licence administration includes enforcement and administrative costs of processing the licence but does not include any costs relating to Members.
