3. The Local Authority licensing policy states as follows:-

- If authorisation is sought for more than two category C or D machines the applicant will be required to attend a hearing to support the application. All plans submitted with applications for premises licences must set out the siting of each Category C or D machine.
 - Parliament has placed no restrictions on the age at which such machines may be played (other than those in amusements arcades). It is, therefore, a matter for the discretion of the premises licence holder and any adults accompanying the children concerned whether they are entitled to play such machines. In the case of premises used exclusively or primarily for the consumption of alcohol, all children under the age of 16 will only be permitted entry to the premises if accompanied by adults. All such machines must be sited in accordance with the Gaming Act, further advice will be given on receipt of application.
 - There is unlikely to be the need for a hearing where the application is for renewal of the existing permit for more than two machines or where the application is for the grant of a Licensed Premises Gaming Machine Permit at premises which already have an existing permit for more than two machines, and where that number is not increased.
4. On 8th February 2016, Poppleston Allen Solicitors, made application on behalf of The Old White Horse Inn for the grant of a licensed premises Gaming Machine Permit for 2 Category C machines and 1 Category D machine. A site plan was also received on the 18th February 2016 highlighting the proposed position of all 3 machines. The application together with the site plan has been circulated to Committee Members and interested parties.
 5. The current licence holder of the premises licence is Mitchells & Butler Retail Limited, the premises currently holds a notification for up to 2 machines.
 6. This application falls within the Council's recent responsibility for liquor licensing which has a direct link to the Council's key corporate priority that safety matters.
