Dear Richard,

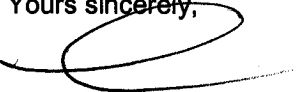

**Re: Proposed Prohibition of Waiting- Jews Lane/Eve Lane Junction**

Further to my previous letter concerning the above, I have received complaints from the residents of Nos. 8 and 10 Jews Lane, about problems they are experiencing with obstructive parking.

In order to alleviate these problems, I have agreed to extend the proposed prohibition on the north-west side of Jews Lane, past No.10, as shown on the attached plan TM2176 revision A.

I look forward to receiving your comments on the proposals.

Yours sincerely,

**G.E. ISHERWOOD**
