7 **Section 141 Policing and Crime Act 2017 Review of Cumulative Impact Assessment 2022**

A report of the Acting Director of Public Realm was submitted to review the Cumulative Impact Assessment currently in place in respect of an area of Stourbridge Town Centre.

The Team Manager (Licensing and Waste Enforcement) presented the report in detail, referring to the background for the implementation of a Cumulative Impact Assessment in Stourbridge and outlined the consultation process that had been undertaken.

It was reported that representations had been received from West Midlands Police, a local Ward Councillor and a member of the public, as part of the consultation review process. Additional representations had also been received on behalf of the Directorate of Public Health and Wellbeing, a copy of which was circulated to Members at the meeting. It was noted that all representations received were in support of the Cumulative Impact Zone to be retained.

In light of the statistical evidence provided by West Midlands Police and the Directorate of Public Health and Wellbeing, taking into account the concerns raised by a local Ward Councillor and resident, the Committee were content to endorse and retain the current Cumulative Impact Assessment for Stourbridge. The Committee noted that the data had been affected by the introduction of Covid-19 restrictions during 2020/21 and having taken this into account, were of the view that the Cumulative Impact Assessment was required to be retained.

Resolved

That the Cabinet and Council be recommended to approve the retention of the Cumulative Impact Assessment, in respect of the specified area of Stourbridge Town Centre, as identified in Appendix 2 of the report submitted.

8 **Review of the Gambling Policy (Statement of Principles)**

The Committee considered a report to review the responses to the consultation of the Council's Gambling Policy (Statement of Principles).

In presenting the report, the Team Manager (Licensing and Waste Enforcement) highlighted the proposed changes to the Gambling Policy (Statement of Principles 2022-2025) and confirmed that representations had been received from West Midlands Police only, who had no adverse comments to the draft policy.

A question was raised on how the licensing objective in relation to preventing gambling from being a source of crime or disorder, being associated with crime or disorder or being used to support crime, would be measured. In responding, the Team Manager (Licensing and Waste Enforcement) commented that it was expected that new applicants would contact the police to obtain statistical crime information prior to submitting an application, to ensure that they were aware of any existing problems and explain what measures would be put into place to mitigate those problems.

Members commented positively and expressed their support for implementation of the draft policy.

Resolved

- (1) That the responses to the consultation and review of the Council's Gambling Policy (Statement of Principles), be noted.
- (2) That the Cabinet and Council be recommended to approve the revised Gambling Policy (Statement of Principles).

The meeting ended at 6.30 pm.

CHAIR

Licensing and Safety Committee – 2nd February 2022

Report of the Acting Director of Public Realm

Revision of Licence Fees

Purpose

1. To consider the revision of fees for licences and consents (other than those where the fees are imposed by statute in respect of liquor licensing, gambling machine permits and lotteries and amusements).

Recommendation

2. That the Committee review the current fees charged with effect from 1st April 2022.

Background

3. The fees for the various licences and permits administered by the Committee were last reviewed with effect from April 2021.
4. Fees received in respect of all licences or consents, are currently refunded if the application is withdrawn or refused.
5. In considering the revision of licence fees, the Committee may wish to compare the fees charged by the Council with those of neighbouring Councils. A table showing these comparisons is attached as Appendix 1.
6. The Council is only permitted to set licensing fees up to the amount that can be ascertained as being the cost of administering the licensing function. However, this does not apply to liquor licensing fees, which are set by the Secretary of State for Culture, Media and Sport. The cost of administering includes enforcement, the administrative and ancillary costs of issuing the licence and the ancillary costs relating to members meeting to determine certain licensing applications.

7. Fees for gaming and betting premises licences have a maximum value set in the Gambling (Premises Licence Fees) (England and Wales) Regulations 2007. The committee will note that a number of these fees charged by Dudley MBC have or will reach this maximum following incremental increases in line with inflation since 2007.
8. In setting fees in February 2021 for the financial year 2021/2022 the committee having considered the effects of the Coronavirus pandemic and the costs to the council of carrying out its regulatory functions resolved that there should be no increase in fees for 2021/2022.
9. Column (1) in Table A below shows the fees currently charged.

Column (2) and (3) show the effect on fees of various increases of 1% and 2%. The budget for 2022/2023 (see paragraph 10) has been set assuming a 0% uplift on income, this is on the basis that licensing has been deemed an area where prices are either set by the government or market conditions are present that would suggest that an uplift could have an adverse effect on volumes.
