Report of the Strategic Director Place

Application for a Licensed Premises Gaming Machine Permit

Purpose of Report

1. To consider the application for the grant of a Licensed Premise Gaming Machine Permit for 4, Category C machines, in respect of the premises known as The Saracens Head, Stone Street, Dudley, DY1 1NJ.

Background

2. The Saracens Head holds a current premises licence. The current premises licence holder is Amber Taverns Ltd.
3. The Local Authority licensing policy states as follows:-
 - If authorisation is sought for more than two category C or D machines the applicant will be required to attend a hearing to support the application. All plans submitted with applications for premises licences must set out the site of each Category C or D machine.
 - Parliament has placed no restrictions on the age at which such machines may be played (other than those in amusements arcades). It is, therefore, a matter for the discretion of the premises licence holder and any adults accompanying the children concerned whether they are entitled to play such machines. In the case of premises used exclusively or primarily for the consumption of alcohol, all children under the age of 16 will only be permitted entry to the premises if accompanied by adults. All such machines must be sited in accordance with the Gaming Act; further advice will be given on receipt of application.
 - There is unlikely to be the need for a hearing where the application is for renewal of the existing permit for more than two machines or where the application is for the grant of a Licensed Premises Gaming Machine Permit at premises which already have an existing permit for more than two machines, and where that number is not increased.
4. On 25th November 2016, Regal Gaming and Leisure made application on behalf of Amber Taverns Ltd for the grant of a licensed premises Gaming Machine Permit for 4 Category C machines . A site plan was also received on the 1st December 2016, highlighting the proposed position of all 4 machines.

The application together with the site plan has been circulated to Committee Members and interested parties.
